35 Minutes

Agenda item: Weakness and Strengths of Bitcoin   **Presenter:** Michael

Discussion:

Bitcoin:

Major financial institutions are recognizing cryptocurrency as a form of currency, for example, BofA.

El Salvor made it their reserve currency. This ensures price stability. Microsoft, OverStock, HomeDepot, StarBucks, WholeFoods, Tesla, etc. All accept Bitcoin. Started at 2009, and we are yet to run into a fraudulent/duplicate BitCoin created.
